PROFESSIONAL EXPERIENCE

GoodiD — Cloud Engineering Intern

FEBRUARY 2026 — AUGUST 2026

- Contributed to client **Google Workspace migrations**: scoping, steering committees, domain-switchover preparation.
- Designed and deployed the client-support **ticketing system** (**Apps Script** + Gmail): unique ticket IDs, auto-acknowledgements, thread deduplication — in production.
- Built an **AppSheet OCR** inventory app eliminating manual entry errors, and automated **Flex license** assignment with nightly release in the test environment.
- Installed a **Google Meet** room at a client site; wrote a Google Meet vs Neat comparative study and Workspace planning tools — **Gemini** used daily.

TheLostRecords — Software Automation Intern

SEPTEMBER 2024 — JANUARY 2025

- Built **Node.js scripts** and **La Poste API** workflows to automate repetitive operations.
- Improved **backend scripting**, **API integration**, debugging, and workflow reliability.

TRAVELGREEN — Web Development Intern

MAY — JUNE 2023

- Developed and debugged web features in **HTML**, **CSS**, **Java** and **PHP**, across front-end and back-end, in a professional project.

Crédit Agricole — Customer Advisor

SEASONAL SUMMER CONTRACTS — 2020 — 2022 — 2023 — 2025

- Managed client onboarding and **KYC-compliant** personal-data collection; handled **sensitive client data** with confidentiality and regulatory discipline.
